

# Night without a Bed

October 26 - 27, 2024

Friends,

I want to share an important opportunity at Family Promise of Greater Washington County (FPGWC). On October 26th, we'll host our second annual community event, Night Without a Bed, to raise awareness about the challenges faced by families experiencing homelessness and to raise funds that will directly support their path to stability.

According to Portland State University's 2023 Statewide Oregon State Estimates, over 21,478 children experienced homelessness in Oregon during the 2022-23 school year—3.9% of all students—with the largest numbers in Multnomah and Washington Counties. Families with children represent a “hidden” population within the unhoused community. Many avoid traditional shelters and instead live in their cars, the woods, garages, and abandoned buildings. Our goal with Night Without a Bed is to bring awareness to these critical issues and shine a light on this hidden epidemic.

This initiative goes beyond temporary relief; it focuses on breaking the cycle of homelessness and empowering families for a brighter future. That's why we are expanding our reach and services with the opening of the Hillsboro House Shelter!

**We invite you to support this powerful initiative by becoming a sponsor.** Please review the attached sponsorship opportunities, including a new tier for in-kind donations of goods or services for the event or for our new shelter. I'll follow up in the next week or two to discuss this further and answer any questions. While your sponsorship is greatly appreciated, we also welcome donations of any size to support FPGWC. Whether it's a one-time gift or a recurring contribution, your support goes a long way in sustaining our mission.

Thank you for considering these opportunities to make a difference. We look forward to seeing you on October 26th for Night Without a Bed and working together to ensure that every family has a place to call home

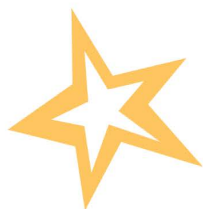

Warm regards,

*Lanndhese Talice*
